Outline questions

- In these questions you need to either
  - Set out **two main points**, with **reference to the case study**
  - Up to **two knowledge [K] marks** are available for stating key points

Example

- The response below would achieve 4 marks as it
  - Clearly identifies two distinct reasons, each with specific **references to the business**

Paolo wants to start up a business making cakes. He plans to sell all of his products to a wholesaler. Paolo knows the packaging for his products will be important. He has prepared some financial and sales data. An extract from this data is shown in the table below. Paolo is considering using crowdfunding as a source of finance. He knows the business will also need working capital.

Extract from Paolo's financial and sales data	
Average price per cake	$6
Average cost per cake	$4
Forecast average number of cake sales per day	50

Outline two reasons why packaging will be important for Paolo's business.

Knowledge Application

Packaging will protect the cakes from damage during transport to the wholesaler
The packaging will help to promote the brand image and provide Paolo's new business some differentiation from competing bakeries
